

INNOVATION WEEK

THE MILL

A Spotlight on Innovation

Our community is jam-packed with innovative people, organizations, and businesses. Scientists at IU are solving complex problems using AI and machine learning. Nonprofits are building creative solutions to environmental and social challenges. Startups are launching enterprises that do truly astonishing things. Every fall, Innovation Week (or iWeek, as we call it) showcases and celebrates the diversity of innovation happening in and around Bloomington.

iWeek is not just about highlighting the great things going on at The Mill. During iWeek, we make our space available for free to our community's most innovative nonprofits, businesses, and individuals, to give them a chance to showcase their ingenuity and their successes to the public. We do it because we believe that creative sparks fly when smart people cross paths, and we want to see what happens next!

Your sponsorship allows The Mill to share our gorgeous event space—our Event Hall, the Classroom, and our Café—with presenters and the public. Your sponsorship will:

- Position your organization as a leader in innovation and collaborative community building
- Spotlight your brand in front of a diverse audience of businesses, professionals, academics, and citizens
- Provide a platform for diverse innovators to publicize their work and ideas

Thank you for your consideration and support.

Finding Inspiration

Every year at iWeek, we discover something exciting that we didn't know was happening in Bloomington.

We learn about new technologies. We hear new stories. We meet new people.

And best of all, we leave iWeek with new ideas and new visions for our community. Join us!

The Mill is the heart of southern Indiana's startup ecosystem and its largest coworking space. Our programs help accelerate innovative ideas and technologies into viable startups.
